

Aeronautical Decision Making-REMINDER

We make decisions every moment of every day, but, the decisions we make in the aircraft may cause us to stay alive or meet our maker perhaps taking with us some loved ones. Lets get together and discuss the importance of making the correct decisions when it come to flying.

Directions: Drive past the FBO, make the next left and park in front of Universal Asset Management Bldg 118. The room is on the left after a long hallway.

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?
